Stephon Ferguson

Atlanta, GA 30312

To Whom It May Concern:

As President of the National Association of Blacks in Criminal Justice (NABCJ), I had the opportunity to work with Reverend Ferguson through our work with the National Alliance of Faith and Justice Pen or Pencil youth summit conferences. As a frequent presenter at these summits and programs, Stephon's stirring rendition of Dr. Martin Luther King, Jr.'s, "I have a Dream Speech" is always received with great anticipation and resonated throughout the auditorium. He is truly a gifted artist whose talent enriches the lives of many as he continues to promote the legacy of this great leader.

Mr. Ferguson's talent is limitless. His energy, determination and drive breathe life into the words that takes you to the steps of the Lincoln Memorial in Washington, D.C. on August 28, 1963. As a frequent presenter at our events, it is obvious we have much great respect for the work he is doing in reinvigorating the Dream.

I would highly recommend that you afford Mr. Ferguson the opportunity to present at your function or event and like us, I am confident based upon his delivery of the words of this great civil rights leader you will be left speechless and would continue to request his services on an ongoing basis.

Peace and Blessings!

Carlyle I. Holder, National President
