Rev. Stephon Ferguson

626 Dekalb Avenue, Suite 1434

Atlanta, Georgia 30312

Dear Rev. Ferguson:

Thank you for promoting peace, justice, freedom, equity and love for humanity through the rendition of Dr. Martin Luther King Jr.'s "I have a dream" speech. Dr. King challenged and aroused the conscience of America to stand against the three evils, poverty, racism and war or rather militarism. Your role in keeping the dream alive is very significant and A. D. Foundation applauds your contributions towards building a beloved community throughout the world. Thank you for your stewardship and leadership.
