God bless you, Stephon,

As I reflect on the three years you have joined with New Covenant Fellowship in celebrating the legacy of Dr. Martin Luther King, Jr., I continue to be in awe at your powerful and moving portrayal of his oratorical speeches. The manner in which you caption Dr. King's "I Have a Dream" speech takes us back to the time in American history where his whole life was devoted to the creed "that all men are created equal."

Let me commend you on your giftedness and encourage you to continue to pay homage to a great countryman and civil rights leader. It is through persons such as yourself that "The Dream" will remain alive.

May God continue to bless you and your ministry in a mighty way!

For His Glory,

Bernie Miller
