To Whom It May Concern:

I have heard many renditions of Dr. Martin Luther King, Jr.'s famous speech, but never have I heard one as powerful and as moving as the rendition Stephon Ferguson delivers. Every utterance of Dr. King's "I Have a Dream" speech takes listeners back to the steps of the Lincoln Memorial in Washington D.C. on August 28, 1963. His diction and dialect are a perfect match to the late Dr. King.

Mr. Ferguson has delivered several of Dr. King's speeches throughout the City of Fayetteville. His stirring renditions provoke audiences to seek the greater good in mankind.

Mr. Ferguson's talent is limitless. His energy, determination and drive breathe life into the words of one of the greatest civil rights leaders of all time. I highly recommend that you and your organization contact Mr. Ferguson for an opportunity to hear history reborn.

Sincerely,
